**From:**

**Request Date:** June 15, 2010

**Decision Subject:** Concurrence with the City of Ridgecrest's Request for an Extension to the Due Dates of Compliance Order IWMA BR 07-07

**Action By:** June 17, 2010

---

### **Summary of Request:**

This is a request that the Deputy Director take action on a proposed Time Extension request to Compliance Order IWMA BR 07-07 (Compliance Order) for the City of Ridgecrest (City). Staff's findings and recommendations are provided relative to the proposed action.

On April 27, 2010 (received on May 3, 2010), the City submitted an official written Time Extension request to extend the deadline of the Compliance Order's Local Assistance Plan from January 4, 2010 to December 31, 2010; the submittal also provided the City's justification for the requested delay.

Paragraph 3.9 of Compliance Order IWMA BR07-07 allows the City to request an extension of time to perform any mandated activity or submit any document, provided that the City submits a written extension request prior to the expiration of the time required by the Compliance Order and that the City provides justification for the delay. Additionally, paragraph 3.10 of the Compliance Order requires a finding of good cause by the Department of Resources Recycling and Recovery before the City's extension request can be granted.

### **Recommendation:**

Based on staff's analysis of the available information and the City's Time Extension request, which was vetted by both Local Assistance and Market Development (LAMD) and Jurisdiction Compliance and Audit (JCA), staff finds that the City has provided good cause supporting the Time Extension request, and recommends that the Deputy Director concur with the approval of the Time Extension request.
